

Fill in the gaps

Did i ever (1) you	stronger than before
now you live in me	i will love again
every waking moment	even if it takes a lifetime to get over you
even in my dreams	heaven only know
and if all this talk is crazy	If i'm true to myself
and you don't know what i mean	nobody else
does it (2) matter	can take the place of you
ust as long as i believe	but i've got to move on
chorus)	tell me what else an i do
will love again	(chorus)
hough my heart is breaking	i (7) love again
will love again	though my heart is breaking
stronger than before	i will (8) again
will love again	stronger than before
even if it takes a lifetime to get (3) you	i will (9) again
neaven only knows	even if it takes a lifetime to get over you
will love again	heaven only knows
People never (4) you	i will love again
he way they truly feel	I will love again
would die for you gladly	I (10) love again
f i knew it was for real	one day i know
so if all this (5) sounds crazy	i will love again
and the words don't come out right	you can't stop me from loving again
does it really matter	breathing again
f it gets me through this night	feeling again
chorus)	i know,one day
will love again	i'll love again
hough my heart is breaking	
will (6) again
