

Fill in the gaps

What a waste of time	But you give it to me anyway
Precious (1) time	What a waste of time
But I'll waste some of (2) babe	Precious little time
If you waste some of mine	But I'll waste (13) of yours babe
What a waste of time	If you waste some of mine
Precious (3) time	What a waste of time
But I'll waste some of (4) babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
There's a moment (5) feels like a-nothing	If you (14) some of mine
Until it's passed away	'Cause I know (15) I got
There's a (6) and it won't last forever	And it's (16) me free
Think about it (7) day	Anything that you want (17) I'm happy to be
I don't know what you see in me	'Cause if I don't have (18) face
I don't know why you stay	Then there's nothing to see
'Cause you don't owe me nothing	So (19) don't leave me
But you give it to me anyway	Baby (21) don't (22) me
What a waste of time	Baby never never never leave me
Precious little time	
But I'll waste some of yours babe	Yeah yeah yeah
If you waste (8) of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah yeah yeah
Precious little time	What a (23) of time
But I'll (9) some of yours babe	Precious little time
If you waste some of mine	But I'll waste (24) of yours babe
So you think (10) it's not really working	If you (25) some of mine
Well darling look again	What a waste of time
It's imperfect and that's why it's perfect	Precious little time
Other (11) are so plain	But I'll waste some of yours babe
You don't (12) see the best in me	If you waste some of mine
And I don't know what to say	
'Cause you don't owe me nothing
