

Fill in the gaps

Weekends in bed	We spend all our (16) (17) side by
No (1) eggs or bacon	side
I just (2) time for you	Going nowhere, it's really something
Backs on the grass	Getting busy, doing nothing
Heads in the clouds	We spend all our time running our lives
We closed our eyes	Going nowhere, it's (18) something
Enjoy the view	Getting busy, doing nothing
We don't wanna hear	Doing nothing
The real world passing by	We should be working hard
Saying that we're crazy	Instead of (19) naked
We (3) all our (4) lying side by side	Phone rings but I (21) take it
Going nowhere, it's really something	'Cause you (22) get one life
Getting busy, (5) nothing	Only get one life
We spend all our time running our lives	All our time lying side by side
Going nowhere, it's really something	Going nowhere, it's (23) something
Getting busy, (6) nothing	Getting (24) doing nothing
No magazines or DVD's	We (25) all our time running our lives
We (7) got (8) (9)	Going nowhere, it's really something
to do	Getting busy, (26) nothing
I'll hold your hand	All our time
Or (10) we (11) together?	Doing nothing
It's so (12) to choose	All our time
Every time we hear	Getting busy, doing nothing
The whole (13) (14) by	
I (15) that we're not crazy
