

Fill in the gaps

I'll put one foot in front of the other one

I'm standing in Brooklyn
Just waiting for something to happen
I can't help but look
Thinking that everyone doesn't get it
To my left is a window
Where did I go?
My reflection just blends
In to rows clothes
And bad ideas
But ideas none the less and so
I'll put one foot in front of the (1) one
(Oh oh ohhh)
I don't need a new love or a new life
Just a better place to die
I'll put one (2) in front of the other one
(Oh oh ohhh)
I don't need a new love or a new life
Just a better place to die
I (3) stumbled (4) a chapel
last night
And I can't help but back up
When I think of what (5) inside
I've got friends locked in boxes
That's no way to live
What you calling a sin
Isn't up to them
After all, after all
I thought we were all your children
But I will die for my own sins
Thanks a lot
We will (6) up ourselves
Thanks for (7) at all
So up off the ground
Our (8) are nothing but dust now

(Oh oh ohhh)
I don't need a new love or a new life
Just a better place to die
I'll put one foot in front of the other one
(Oh oh ohhh)
I don't need a new love or a new life
Just a better place to die
Maybe I should learn to shut my mouth
I am over twenty five
And I can't make a name for myself
Some nights I break down and cry
Lucky that my father's still alive
He's been fighting all his life
And if this is all I've ever known
Then may his soul live on forever
In my song
(La di da, da da da)
(La di da, da da da)
(La di da, da da da)
I'll put one foot in front of the other one
(Oh oh ohhh)
I don't need a new (9) or a new life
Just a better (10) to die
I'll put one foot in front of the other one
(Oh oh ohhh)
I don't need a new love or a new life
Just a better place to die
In front of the other one
In front of the other one
Just a better place to die
