You won't (1) me		With every nerve alive
( ,		•
But you'll feel me		We move so fast it seems as though
Without warning		We've taken to the sky
Something's dawning		Love machines in harmony
Listen, listen		We hear the engines cry
Then within your senses		I'm your turbo lover
You'll know you're defenseless		Tell me there's no other
How (2) heart beats		I'm your turbo lover
When you run for cover, cover		Better run for cover
You can't retreat		On and on
I spy like no other		We're charging to the (8) so many seek
Then we (3) together		In perfect synchronicity
We can (4) forever		Of (9) so many speak
Wrapped in horsepower		We feel so close to heaven
Driving into fury		In this roaring heavy load
Changing gear		And then in (10) abandonment
I pull you tighter to me		We shatter and explode, explode
I'm your turbo lover		I'm your turbo lover
Tell me there's no other		Tell me there's no other
I'm (5) turbo lover		I'm your turbo lover
Better run for cover		Better run for cover
We hold (6) other closer		I'm your turbo lover
As we shift to overdrive		
And everything goes (7)	bv
