

## Fill in the gaps

You won't (1) me	With every nerve alive
But you'll feel me	We move so (10) it (11) as though
Nithout warning	We've (12) to the sky
Something's dawning	Love (13) in harmony
Listen, listen	We (14) the engines cry
Then within (2) senses	I'm (15) turbo lover
You'll (3) you're defenseless	Tell me there's no other
How your heart beats	I'm (16) turbo lover
When you run for cover, cover	Better run for cover
You can't retreat	On and on
spy like no other	We're charging to the (17) so (18)
Then we race together	seek
We can (4) forever	In perfect synchronicity
Wrapped in horsepower	Of which so many speak
Driving (5) fury	We (19) so close to heaven
Changing gear	In (20) roaring heavy load
(6) you (7) to me	And then in sheer abandonment
'm (8) turbo lover	We shatter and explode, explode
Tell me there's no other	I'm your (21) lover
'm your turbo lover	Tell me there's no other
Better run for cover	I'm (22) turbo lover
We hold each other closer	Better run for cover
As we shift to overdrive	I'm your turbo lover
And everything (9) rushing by
