

You won't hear me But you'll feel me

As we shift to overdrive

Fill in the gaps

Without warning
Something's dawning
Listen, listen
Then within your senses
You'll know you're defenseless
How (1) heart beats
When you run for cover, cover
You can't retreat
I spy like no other
Then we race together
We can ride forever
Wrapped in horsepower
Driving into fury
Changing gear
I pull you tighter to me
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
We hold (2) other closer

And (3)_____ goes rushing by

With every nerve alive
We move so fast it seems as though
We've taken to the sky
Love machines in harmony
We hear the engines cry
I'm (4) turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
On and on
We're (5) to the place so many seek
In (6) synchronicity
In (6) synchronicity Of which so many speak
Of which so many speak
Of which so many speak We feel so close to heaven
Of which so many speak We feel so close to heaven In this roaring heavy load
Of which so many speak We feel so close to heaven In this roaring heavy load And then in sheer abandonment
Of which so many speak We feel so close to heaven In this roaring heavy load And then in sheer abandonment We shatter and explode, explode
Of which so many speak We feel so close to heaven In this roaring heavy load And then in sheer abandonment We shatter and explode, explode I'm (7) (8) lover
Of which so many speak We feel so close to heaven In this roaring heavy load And then in sheer abandonment We shatter and explode, explode I'm (7) (8) lover Tell me there's no other
Of which so many speak We feel so close to heaven In this roaring heavy load And then in sheer abandonment We shatter and explode, explode I'm (7) (8) lover Tell me there's no other I'm your turbo lover
