This is a call to arms	And I won't pray for you
Will you stand beside me?	And I won't (6) for you
This is our time to fight	Halo
No more compromising	Follow
And this blackened (1) (2) sing	Shallow
For sad solidarity	Swallow
Halo, over our demise	Halo, over our demise
Following a God so blind	Following a God so blind
Shallow, in their sickening	Shallow, in their sickening
Swallow not, the more **** (3) feed	Swallow not, the **** they feed
	Feed
This is a (4) to life	**** they feed
Not the Religious Right's act	Your words will (7) hold us down
This is abortion's knife	Prayer's won't be spared on you
Aiming at the womb of	Satisfaction denied
The Christian conspiracy	'Til you're dead and gone
So open thine eyes and see	Gone
The Halo, (5) our demise	Dead and gone
Following a God so blind	You're gone
Shallow, in their sickening	You're gone
Swallow not, the more **** they feed	
And I won't pray for you
