In her (6)_____ ways

Fill in the gaps

Forgive Me Father (I Have Sinned) by Cradle Of Filth

Forgive me Father, I have sinned		Love me	
Darkness put her painted claws in me again		And worship me	
Her vision drowns like service wine		I'll nurture you and hurt you too	
Whispered kisses so divine		Fulfill all wishes for my sad Aladdin	
I was blessed but now I've come undone		She comes to me	
Storm clouds roll out overhead		Like a sandstorm in an hourglass	
Above their master		A whirlwind of desire	
End of all flesh, end of all days		I am hypnotised	
Love predicts disaster		To think beyond the pale	
In her precious ways		Beyond heart-stopping eyes	
I was burned, a sacerdotal soul		And (7) thighs	
By the Demon Queen of my dreams		I'm won't to fail	
Infatuation (1) to total control		A wicked spell cast (8) me	
Her rose was sweet		Addicted to her utterly	
But her thorns were barbarous		Despite the horrors that gestate	
Love me		Beneath the beautiful	
And worship me		I'll grant you life beyond your ken	
I'll lavish you and (2) you		The envy of all other men	
Fulfil all wishes and fetishes too		Whatever vice (9) make you s	spend
Many never want to see		Eternity with me	
Many never want to know		Satan's concubine	
The truth behind their fantasies		She makes her crime scenes shine from heaven	
Their deepest needs		Forgive me Father, I have sinned	
Let alone be shown them		Darkness put her painted claws in me again	
Forgive me Father, I have sinned		Her vision drowns like service wine	
Darkness put her painted claws in me again		Whispered kisses so divine	
Her vision (3) like (4) w	vine	I was blessed but now I've come undone	
Whispered kisses so divine		But now I've come undone	
I was blessed but now I've come undone		Forgive me Father, I've sinned	
Nothing left to do but run		Darkness put her (10)	claws in me again
Sodom rolls out modern death		Her vision drowns like service wine	
On (5) ever faster		Whispered kisses so divine	
End of all flesh		I was blessed but now I've come undone	
End of all days		But now I've come undone	
The stars predict disaster			

- 1. turned
- 2. ravish
- 3. drowns
