

Fill in the gaps

Led to the river	(Back in the forest where (15) pe	ersuade)
Midsummer, I wave	(More (16) trails, more white lady laid)	
A 'V' of black swans	(Than pillars of salt)	
On with hope to the grave	Fall to my arms	
And through red September	Hold their mesmeric sway	
When (1) fire-paved	And dance out to the moon	
I begged you appear like	As we did in those golden days	
A (2) for the (3) ones	Christening stars	
Cold was my soul	I remember the way	
Untold was the pain	We were (17) and spoon	
I faced, when you left me	Mislaid in the (18) hay	
A rose in the rain	Bared on your tomb	
So I swore to the razor	I am a prayer for (19) loneliness	
That never, enchained	And would you ever swoon	
Would your dark nails of faith	Come above unto me?	
Be (4) through my veins again	For once upon a time	
Bared on your tomb	From the bind of (20) holiness	
I am a prayer for (5) loneliness	I could (21) find	
And (6) you ever soon	The (22) slot for (23) sacred	key
Come (7) unto me?	Six feet deep is the incision	
For once (8) a time	In my heart (24) barless prison	
From the (9) of (10) loneliness	Discolors all (25) tunnel vision	
I could always find	Sunsetter, nymphetamine	
The (11) slot for your sacred key	Sick and weak (26) my condition	
Six (12) deep is the incision	This lust, this vampiric addiction	
In my (13) that barless prison	To her alone in full submission	
Discolors all with tunnel vision	(None better) nymphetamine	
Sunsetter, nymphetamine	(Sunsetter) nymphetamine	
Sick and weak from my condition		
This lust, this vampiric addiction	(None better) nymphetamine	
To her alone in full submission	Nymphetamine, nymphetamine	
None better, nymphetamine	Nymphetamine girl	
Nymphetamine, nymphetamine	Nymphetamine, nymphetamine	
Nymphetamine girl	My nymphetamine gir	
Nymphetamine, nymphetamine		
My nymphetamine girl		
(Wracked (14) your charm, I'm circled like prey)
