## Like You'll Never See Me Again by Alicia Keys

If I had no more time	(8) for
No more time left to be here	When I wake up in the morning
Would you cherish what we had?	You're beside me
Was it everything that you were looking for?	I'm so thankful (9) I found
If I couldn't feel (1) touch	Everything that I been looking for
And no longer were you with me	I don't wanna forget the present is a gift
I'd be wishing you were here	And I don't wanna take for granted the time
To be everything that I'd be looking for	You may have here with me
I don't wanna forget the present is a gift	'Cause Lord only knows another day
And I don't wanna take for (2) the time	Is not really guaranteed
You may have here (3) me	So everytime you hold me
'Cause Lord (4) knows another day	Hold me like this is the last time
Is not really guaranteed	Every time you kiss me
So every time you (5) me	Kiss me like you'll never see me again
Hold me like this is the last time	(Can you do that for me baby)
Every time you kiss me	Every time you touch me
Kiss me like you'll never see me again	(See we don't really know)
Every time you touch me	Touch me like this is the last time
Touch me like this is the last time	(See everyday we never know)
Promise that you'll love me	Promise that you'll (10) me
Love me like you'll never see me again	(I want you to promise me)
(Oh oh oh)	Love me like you'll never see me again
How many really know what love is?	(Like you'll never see me again)
Millions (6) will	(Oh oh oh oh oh)
Do you know until you lose it
