

I don't really care
What nobody tells me

Fill in the gaps

	I'm gonna be here
Can't wait to get home	It's a matter of extreme importance
Baby dial your number	My first teenage love affair
Can you pick up the phone?	(Eh eh eh eh, eh eh eh eh aay)
Cause I wanna holla	Hey boy
Daydreamin' bout you all day in school	You (4) I really like being with you
Can't concentrate	Just hanging out is fun
Wanna have your voice in my ear	So maybe we can go to
Till momma come and say it's too late	First base
Cause the lights are on outside	Because I feel you
Wish there was somewhere to hide	Second base
Cause I (1) don't want	Want you to (5) me too boy
To say goodbye	Third base
Cause you are my baby baby	Better pump the brakes
Nothing really matters	(Oh) baby, slow down
I don't really care	I gotta go (6) now
What nobody tells me	'Cause the lights are on outside (outside)
I'm gonna be here	Wish there was somewhere to (7) (to hide)
It's a matter of extreme importance	'Cause I just don't want
My first teenage love affair	To say goodbye
(Eh eh eh, eh eh, eh eh eh aay)	'Cause you are my baby baby
I love our secret meetings	
On the fifth floor staircase	Nothing really matters
I'm gonna give you this letter	I don't really care
Of all the things I can't say	What nobody tells me
Want you to be my first	I'm gonna be here
My last, my (2) and beginning	It's a matter of extreme importance
I write (3) name in my book	My first (8) love affair
Your last name my first	(Ah) baby baby
I'm your Mrs	Nothing really matters
	I don't really care
Cause the lights are on outside (outside)	What nobody tells me
Wish there was somewhere to hide (to hide)	I'm gonna be here
I just don't want	It's a matter of extreme importance
To say goodbye	My (9) (10) love affair
Cause you are my baby baby	(Eh eh eh eh, eh eh, eh aay)
Nothing really matters
