

## Fill in the gaps

It's the (1) I guess	In the end
For the lies I've told	In the end
That the truth it no (2) thrills me	There's nothing more to (14) than love is there?
And why can't we laugh?	In the end
When it's all we have	In the end
Have we put these (3)	It's time for us to lose our weary minds
(4) away?	We're (15) 'til we (16) how to ask
Have we lost the (5) that we (6) had?	We're (17) 'til we (18) how to ask
In the end	We're (19) 'til we (20) how to ask
In the end	So please, please just ask
There's (7) (8) to life	In the end
(9) love is there?	In the end
In the end	There's nothing (21) to (22)
In the end	(23) love is there?
It's time for us to (10) our weary minds	In the end
Will you (11) (12) me?	In the end
Like we used to dance	It's time for us to lose our weary minds
And remember how to move together	There's nothing more to life than love is there?
You are the torch	
And it all makes sense	
I've waited here for you forever	
I've waited (13) for you forever
