

I like the people

Fill in the gaps

And anything I'd want to say out loud

I like the song	Will be sung
This is my kind of music	This is my kind of music
They play it all night long	They play it all night long
I like the singer	Expressing passion
He's lonely and strange	Explaining pain
Every (1) has a vocal	Aspirations for a better (6) are ordained
And (2) makes a change	And everything about tonight
And everything about tonight	Feels (7) and so young
Feels right and so young	And anything I'd want to say out loud
And anything I'd (3) to say	Will be sung
Out loud will be sung	This is my kind of music
It's in the music	They play it all night long (all night long)
It's in the song	It's in the music
Everyone I hoped would be around	It's in the song
Has come along	And the feeling of the ones around us all
For the music	Is so strong
It's in the music	It's in the music
It's in the song	It's in the song
And the (4) of the ones (5)	They play it all night long (they play it all night long)
us all	They play it all (8) long
Is so strong	
It's in the music	
And everything about tonight	
Feels right and so young
