

Fill in the gaps

I like the people	And anything I'd want to say out loud
I like the song	Will be sung
This is my kind of music	This is my kind of music
They (1) it all night long	They play it all night long
I like the singer	Expressing passion
He's (2) and strange	Explaining pain
Every (3) has a vocal	Aspirations for a better life are ordained
And that makes a change	And (11) tonight
And everything about tonight	Feels right and so young
Feels right and so young	And (13) I'd (14) to say out
And (4) I'd (5) to say	loud
Out (6) will be sung	Will be sung
It's in the music	This is my kind of music
It's in the song	They (15) it all (16) long (all night
Everyone I hoped (7) be around	long)
Has come along	It's in the music
For the music	It's in the song
It's in the music	And the feeling of the (17) (18) us
It's in the song	all
And the (8) of the (9)	Is so strong
(10) us all	It's in the music
Is so strong	It's in the song
It's in the music	They (19) it all (20) long (they play it
And everything about tonight	all night long)
Feels right and so young	They (21) it all night long

- 1. play
