## You Could Be Happy by Snow Patrol

## Fill in the gaps

You (1) be happy and I won't know
But you weren't happy the day I watched you go
And all the things that I (2) I had not said
Are played in (3) till it's madness
In my head
Is it too late to remind you how we were
But not our last days of silence, screaming, blur
Most of what I remember (4) me sure
I should have stopped you from walking
Out the door
You could be happy, I hope you are
You made me happier than I'd (5) by far
Somehow everything I own smells of you
And for the (6) moment it's all not true
Do the things that you (7) wanted to
Without me (8) to hold you back
Don't think, just do
More than (9) I want to see you, girl
Take a glorious bite out of the (10) world
