If you (1) here beside me	Instead of in New York
Instead of in New York	In the arms, you said you'd never leave
If the curve of you was curved on me	I'd tell you (16) it's simple
I'd tell you that I loved you	And it was only (17) thus
Before I (2) knew you	There is nowhere (18) that I belong
'Cause I loved the (3) thought of you	Come on, come out
If our hearts are (4) broken	Come here, (19) here
And there's no joy in the mending	Come on, come out
There's so (5) this hurt can (6) us	Come here, come here
both	Come on, (20) out
Though there's (7) and there's silence	Come here, come here
Your words (8) never left me	Come on, come out
They're the (9) (10) I say every	Come here, come here
day	The long (21) (22) and the eek of
Come on, come out	the ocean
Come here, come here	And the fire that was starting to spark
Come on, (11) out	I (23) it all from the love to the lightning
Come here, come here	And the lack of it snaps me in two
Come on, come out	Just (24) me a sign
Come here, come here	There's an end and a beginning
Come on, (12) out	To the quiet chaos driving me mad
Come here, come here	The (25) neon nights
The (13) neon nights and the eek of the ocean	And the want of the ocean
And the (14) that was starting to spark	And the (26) that is (27) to go
I miss it all	out
From the love to the lightning	
And the lack of it (15) me in two	
If you were here heside me
