When I lose my head, I lose my spine

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So leave that click in my head
I (1) out of the woods by choice	And I won't remember the words that you said
Shelter also gave their shade	You brought me out from the cold
But in the dark I have no name	Now, how I long, how I long to grow old
So (2) that (3) in my head	So when your hope's on fire
And I will remember the words (4) you said	But you know your desire
Left a clouded mind and a heavy heart	Don't hold a glass over the flame
But I am sure we could see a new start	Don't let your heart grow cold
So when (5) hopes on fire	I will call you by name
But you know your desire	I will share your road
Don't hold a glass over the flame	Hold me fast, hold me fast
Don't let your heart grow cold	'Cause I'm a hopeless wanderer
I will call you by name	Hold me fast, hold me fast
I will share your road	'Cause I'm a hopeless wanderer
Hold me fast, (6) me fast	I will learn
'Cause I'm a hopeless wanderer	I will learn to love the (9) I'm under
Hold me fast, hold me fast	I will learn
'Cause I'm a hopeless wanderer	I will learn to love the skies I'm under
I wrestled long with my youth	The skies I'm under
We tried so hard to (7) in the truth	
But do not (8) me all is fine
