

Fill in the gaps

Late at night when all the world is sleeping	Corazon
I stay up and think of you	No puedo dejar de pensar en ti
And i wish on a star that somewhere you are	Como te necesito
Thinking of me too	Mi amor, como te extraño
Cause i'm (1) of you tonight	(translation:
Till tomorrow, i'll be holding you tight	Sweetheart
And there's nowhere in the (2) i'd rather be	I can't stop (8) of you
Than here in my (3) dreaming about you and me	How i need you
Wonder if you ever see me and i	My love, how i miss you)
Wonder if you know i'm there (am i there, am i?)	Late at (9) (10) all the world is
If you looked in my (4) would you see what's inside	sleeping
Would you even care?	I stay up and think of you
I just wanna hold you close but so far	And i still can't believe
All i have are dreams of you	That you came up to me and said i love you
So i wait for the day (wait for the day)	I love you too
To (5) the (6) to say how much i	Now i'm dreaming with you tonight
love you	Till tomorrow (till tomorrow) and for all of my life
Yes i do	And there's nowhere in the world i'd rather be
I'll be dreaming of you tonight	Than here in my room
Till tomorrow, i'll be (7) you tight	Dreaming with you endlessly
And there's nowhere in the world i'd rather be	
Than here in my room dreaming about you and me
