

## Fill in the gaps

I can't believe it's over	Life can show no mercy
I watched the (1) thing fall	It can tear your soul apart
And I never saw the writing that was on the wall	It can (14) you feel (15) you've gone
If I'd (2) knew	crazy
The days were slipping past	But you're not
That the (3) things never last	Things (16) seem to changed
That you were crying	There's one (17) that's (18) the
	same
Summer turned to winter	In my heart you (19) remained
And the snow it turned to rain	And we can fly fly away
And the rain turned (4) (5) upon your	'Cause you are not alone
face	And I am there with you
I hardly recognized	And we'll get lost together
The girl you are today	Till the light (20) pouring through
And god I (6) it's not too late	'Cause (21) you feel like you're done
	And the darkness has won
It's not too late	Babe, you're not lost
Cause you are not alone	When the worlds (22) down
I'm always there (7) you	And you can not (23) to crawl
And we'll get lost together	I said, baby, you're not lost
Till the (8) comes pouring through	
Cause when you (9) (10) you're done	I said, baby, you're not lost
And the (11) has won	I said, baby, you're not lost
Babe, you're not lost	
When (12) worlds (13) down	I said, baby, you're not lost
And you can't bear the thought	
I said, babe, you're not lost
