

Fill in the gaps

I can't believe it's over	Life can show no mercy	
I (1) the whole thing fall	It can tear (6) soul apart	
And I never saw the writing (2) was on the wall	It can make you feel like you've (7)	crazy
If I'd only knew	But you're not	
The days were slipping past	Things have seem to changed	
That the good things (3) last	There's one thing that's still the same	
That you were crying	In my heart you (8) remained	
	And we can fly fly fly away	
Summer turned to winter	'Cause you are not alone	
And the snow it turned to rain	And I am there with you	
And the rain turned into tears upon your face	And we'll get lost together	
I hardly recognized	Till the light comes pouring through	
The girl you are today	'Cause when you feel like you're done	
And god I hope it's not too late	And the darkness has won	
	Babe, you're not lost	
It's not too late	When the worlds (9) down	n
'Cause you are not alone	And you can not bear to crawl	
I'm (4) there with you	I said, baby, you're not lost	
And we'll get lost together		
Till the light comes pouring through	I said, baby, you're not lost	
'Cause when you feel like you're done	I said, baby, you're not lost	
And the (5) has won		
Babe, you're not lost	I said, baby, you're not lost	
When your worlds crashing down		
And you can't bear the thought		
I said, babe, you're not lost
