| I wanna (2) over                           | Who do you think about when I'm not (14) you? |
| The night is only young                    | Does somebody hold you when you let me go?    |
| I wanna get under your body                | You can't hide, you can't lie                 |

| It's not enough                            | I could try to run away from the truth        |
| It's not (4) for this heart                | I can't hide, I can't lie                     |

| with you?                                  | Would it change if I asked you to stay?       |
| Does (7) hold you when you let me go?      | If I pulled, would it push you away?          |
| You can't hide, you can't lie              | But it's just the chance I'll take            |
| 'Cause baby I'm loving, loving, (8) you    | 'Cause I want your loving                     |

| Give it up in the dark                     | Baby I'm loving, loving, loving you           |
| And I can't help thinking                  | Baby I'm loving, loving, loving you           |
