It's not enough

### Fill in the gaps

### Loving You by Matt Cardle & Melanie C

| Leave your door open                          | It's not enough for this heart                |
|---|---|
| I wanna come over                             | Who do you think about when I'm not with you? |
| The night is only young                       | Does somebody (9) you when you let me go?     |
| I wanna get under (1) body                    | You can't hide, you can't lie                 |
| Take you over, come undone                    | 'Cause baby I'm loving, loving, loving you    |
| But why do we only give it up?                | I could tell myself that I don't need you     |
| Give it up in the dark                        | I could try to run away from the truth        |
| 'Cause I can't help thinking                  | I can't hide, I can't lie                     |
| It's not enough                               | 'Cause baby I'm loving, loving, loving you    |
| It's not enough for this heart                | Would it change if I asked you to stay?       |
| Who do you think about when I'm not with you? | If I pulled, would it push you away?          |
| Does somebody (2) you when you let me go?     | But it's just the chance I'll take            |
| You can't hide, you can't lie                 | 'Cause I want your loving                     |
| 'Cause baby I'm loving, loving, (3) you       | Who do you think about when I'm not with you? |
| I could tell myself that I don't need you     | Does somebody hold you when you let me go?    |
| I (4) try to run away from the truth          | You can't hide, you can't lie                 |
| I can't hide, I can't lie                     | 'Cause baby I'm loving, loving, (10) you      |
| 'Cause baby I'm loving, loving, (5) you       | I could tell myself that I don't need you     |
| My door is open                               | I could try to run away from the truth        |
| Come on over, the (6) is still young          | I can't hide, I can't lie                     |
| I wanna get (7) your body                     | 'Cause baby I'm loving, loving, loving you    |
| Take you under, come undone                   | Baby I'm loving, loving, loving you           |
| But why do we only (8) it up?                 | Baby I'm loving, loving, loving you           |
| Give it up in the dark                        |   |
| And I can't help thinking                     |   |
