

Fate is coming, that I know

## Fill in the gaps

	Let it go
In the middle of the night	Here (7) now
When the angels scream	Under the pattern
I don't want to live a lie that I believe	If ever we dream out loud
Time to do or die	Do or die
I will never forget the moment, the moment	And the (8) goes
I will never forget the moment	And the (9) goes on
And the story (1) on on on	On on
That's how the story goes	This is the story
That's how the story goes	Fate is coming, that I know (this is the story)
You and I will never die	Time is running, got to go (this is the story)
It's a dark embrace	Fate is coming, that I know (this is the story)
In the beginning was life	Let it go
A (2) age	Here right now
Time to be alive	Under the pattern
I will (3) forget the moment, the moment	If ever we dream out loud
I will (4) this night	Dream out loud
We sing, we sing	Fate is coming, that I know
On on on	Time is running out
That's how the (6) goes	Fate is coming, that I know
	Let it go
Fate is coming, that I know	
Time is running, got to go
