

## Fill in the gaps

I thought the candle was gonna go out	The pinnacles of my invisible empire
The wind was (1) and the door was open	And if I do all the things I do
But the (2) never went out	Well, I tell (14) that (15) staying
Never went out	true
The wave (3) its way to the shore	Know I'll never stop
I (4) it was a (5) and	You know I'll never stop
(6) more	You (16) I'll never think (17) it
But the wave found its way all the way	Put an end to all this time
To the shore	That I would spend (18) it on my mind
(Oh oh) I wanna burn (7) house	You (19) it never stopped
I know, I wanna jump (8) the fire	You know it (20) stopped
(Oh oh) I've got to tear them down	You know I always (21) about it
The pinnacles of my invisible empire	I wondered about the wonder
I (9) the gamble never works twice	(Oh oh no oh oh) I wear a (22) crown
All the distractions of the table	I (23) this dynasty is falling
And the (10) dice	The crowd shouts for another round
But the (11) of it feels so nice	I see the ruin
You'd do it all again	The spectacular
But I look to the chips and lose	Diamonds buried
I'm standing on the platform	Icebergs, the minarets
With my (12) in the noose	And the marketplaces
And I know it's not my time	The signal fires of my (24) empire
It's not my time	
(Oh oh) I wanna burn this house	
I know, I wanna jump (13) the fire	
(Oh oh) I've got to tear them down
