

Baby, baby there's not refuge in your arms

You won't break me, break me

Fill in the gaps

Lately	'Cause my fire isn't gone
You've been tearing me down	You can chain me and (7) me and change me
I won't lie	I'll only take it for so long
Kept my feet on solid ground	So long
I won't die	Baby, baby you can see it how you want
I'm not sleeping I'm still dreaming of you	But I'm aching, aching
Of you	You won't fight for what we've got
Maybe	What I'm needing is healing
I'm not taking your side but I'll fight	Believe me
For the love I see behind your eyes	You kept me waiting for too long
You've (1) hiding but I'm looking for you	For too long
For you	So come and get it
Baby, baby there's not (2) in your arms	Before its all gone
You won't break me	So come and get it
Break me 'cause my fire isn't gone	Before I'm long gone
You can chain me and (3) me and change me	So come and get it
I'll only take it for so long	Before its all gone
So long	So come and get it
Baby, baby you can see it how you want	
But I'm aching, aching	Before I'm long gone
You won't fight for what we've got	Baby, (8) there's not refuge in your arms
What I'm needing is healing	You won't break me, break me
Believe me	'Cause my fire isn't gone
You kept me waiting for too long	You can chain me and shake me and change me
For too long	I'll (9) take it for so long
So come and get it	So long
Before its all gone	Baby, baby you can see it how you want
So come and get it	But I'm aching, aching
Before I'm long gone	You won't fight for what we've got
I know (4) (5) the truth is	What I'm needing is healing
hard	Believe me
Need to make your next move	You kept me waiting for too long
Because	For too long
I'm not (6) you can't leave it to me	So come and get it
