

## Fill in the gaps

away

I wo jumps in a week	They're the ones who'll spit at you
I bet you think that's pretty clever	You will be the one screaming out
Don't you boy?	Don't leave me high
Flyin' on your motorcycle	Don't leave me dry
Watching all the ground beneath you drop	Don't leave me high
You'd kill yourself for recognition	Don't leave me dry
Kill yourself to never, ever stop	(Oh)
You broke (1) mirror	It's the best (5) that you've ever hard
You're turning into something you are not	The best thing (6) you've ever, ever had
Don't leave me high	It's the best thing (7) you've ever had
Don't leave me dry	The (8) thing you have had has gone aw
Don't (2) me high	So don't leave me high
Don't leave me dry	Don't leave me dry
Drying up in conversation	Don't leave me high
You (3) be the one who cannot talk	Don't leave me dry
All your insides fall to pieces	Don't (9) me high
You just sit there wishing you (4) still make love	Don't leave me high
They're the ones who'll hate you	Don't leave me dry
When you think you've got the world	
All sussed out
