

## Fill in the gaps

I will sneak (1) (2) your pocket	We (11) sink and be quiet as mice
Invisible, do what you want	While the cat is away and do (12) we want
Do (3) you want	Do what we want
I (4) (5) and I (6) disappear	There's an (13) (14)
I will slip into the groove	(15) my heart
And cut me up and cut me up	Where the wings (16) root
There's an empty space inside my heart	So now I set you free
Where the wings take root	I set you free
So now I'll set you free	'Cause all I (17) is the (18) upon a stick
I'll set you free	Just to see what if
There's an empty (7) inside my heart	Just to see (19) it is
Where the wings take root	Take the lotus (20) into my room
So now I'll set you free	Slowly we unfold
I'll set you free	As (21) flowers
Slowly we unfold	'Cause all I (22) is the (23) upon a stick
As lotus flowers	Dance (24) a pit
'Cause all I want is the moon upon a stick	The darkness is beneath
Just to see what if	I can't kick the habit
Just to see (8) it is	Just to feed my (25) ballooning head
I can't (9) the habit	Listen to (26) heart
Just to feed your fast (10) head	
Listen to your heart
