## Miserable At Best by Mayday Parade

Katie, don't cry, I know			'Cause nothing feels like home		
You're trying your hardest			You're a thousand miles away		
And the hardest (1)	is (2)	_ go	And the (5)	(6)	of living is just
Of the nights we shared			Taking breaths to stay		
Ocala is calling and you know it's haunting			'Cause I (7) I'm good for something		
But compared to your eyes			I just haven't found it yet		
Nothing shines quite as bright			But I need it		
And when we look to the sky			So let's not pretend like you're alone tonight		
It's not mine, but I (3) it so			I know he's there and		
Let's not pretend like you're alone tonight			You're probably hanging out and making eyes		
I know he's there and			While across the room, he stares		
You're probably (4) out and making eyes			I'll bet he gets the nerve to walk the floor		
While across the room, he stares			And ask my girl to dance		
I'll bet he gets the nerve to walk the floor			She'll say yes		
And ask my girl to dance			Because these (8) were never easier		
She'll say yes			For me to say		
Because these words were never easier			Or her to second guess		
For me to say			But I guess		
Or her to second guess			That I can (9) without you but		
But I guess			Without you I'll be miserable		
That I can live without you but			And I can live without you but		
Without you I'll be miserable at best			Without you I'll be miserable		
You're all that I hoped I'd find			And I can live without you but		
In every single way			(Oh) without you I'll be (10) at best		
And everything I would give
