I Need Your Love by Calvin Harris & Ellie Goulding

I need your love	I try to fight this but I know I'm not that strong
I (1) your time	And I feel so helplessly
When everything's wrong	Watch my eyes are filled with fear
You make it right	Tell me do you feel the same
I feel so high	Hold me in (6) arms again
I come alive	I (7) your love
I need to be free (2) you tonight	I need (8) time
I need your love	When everything's wrong
I need your love	You make it right
I take a deep breath (3) I pass your	I feel so high
door	I come alive
I (4) you're (5) but I can't see you	I need to be free with you tonight
anymore	I need (9) love
And that's the reason	I need your love
You're in the dark	All the years, all the times
I've been a stranger ever since we fell apart	You were never been to blame
And I feel so helplessly	And now my eyes are open
Watch my eyes are filled with fear	And now my heart is (closing)
Tell me do you feel the same	And all the tears, all the lies, all the waste
Hold me in your arms again	I've been trying to make it change
I need your love	And now my eyes are open
I need your time	I need your love
When everything's wrong	I need your time
You make it right	When everything's wrong
I feel so high	You make it right
I come alive	I feel so high
I need to be free with you tonight	I come alive
I need your love	I need to be free
I need your love	
Now I'm dreaming, will I ever find you now	
I walk in circles but I'll never figure out
