

Fill in the gaps

I Need Your Love by Calvin Harris & Ellie Goulding

(1) your love	I try to (16) (17) but I know I'm not
I need your time	that strong
When everything's wrong	And I feel so helplessly
You make it right	Watch my (18) are filled with fear
I (2) so high	Tell me do you (19) the same
I come alive	Hold me in your arms again
I need to be free (3) you tonight	I (20) your love
I need your love	I (21) your time
I need your love	When everything's wrong
I take a (4) breath everytime I pass your door	You make it right
I know you're there but I can't see you anymore	I feel so high
And that's the reason	I come alive
You're in the dark	I (22) to be free with you tonight
I've been a stranger (5) since we fell apart	I need your love
And I feel so helplessly	I need your love
Watch my eyes are (6) (7) fear	All the years, all the times
Tell me do you feel the same	You (23) never been to blame
Hold me in your arms again	And now my eyes are open
I need (8) love	And now my heart is (closing)
I need your time	And all the tears, all the lies, all the waste
When everything's wrong	I've been trying to make it change
You (9) it right	And now my eyes are open
I feel so high	I need your love
I (10) alive	I need (24) time
I need to be free with you tonight	When everything's wrong
I need (11) love	You make it right
I need your love	I (25) so high
Now I'm dreaming, will I (12) (13) you	I come alive
now	I need to be free
I walk in circles but I'll (14) figure out	
What I (15) to you	
Do I belong
