

How do you get out from an all time low?

Fill in the gaps

Praying won't do it	I'm in pieces
Hating won't do it	It seems like peace is
Drinking won't do it	The only thing I (7) know
Fighting won't knock you out	How do you get out from an all time low?
Of my head	I can't even find a place to start
Hiding won't hide it	How do I choose between my head and heart?
Smiling won't hide it	Till it ceases I'll never know
Like I ain't tried it	How do you get out from an all time low?
Everyone's tried it now	A low, a low, a low, a low, a low, a low, a low
And failed somehow	Can you hear me?
So when you gonna let me	A low, a low, a low, a low, a low, a low
When you (1) let me out, out	Can't you hear me?
And if you know	A low, a low
How do you get out (2) an all time low?	Can you hear me?
I'm in pieces	A low, a low, a low, a low, a low, a low, a low
Seems (3) peace is	And if you know
The only thing I'll never know	How do you get out from an all time low?
How do you get out, get out?	I'm in pieces
'Cause (4) won't do it	It seems like peace is
Flying won't do it	The only thing I never know
Denying won't do it	How do you get out from an all time low?
Crying won't (5) it out	I can't even find a place to start
What you said	How do I choose between my head and heart?
When I'm standing on the yellow line	Till it ceases I'll never know
Waiting at the station	How do you get out from an all time low?
Or I'm late for work	I can't (8) find a place to start
A vital presentation	How do I choose between my head and heart?
If you call me now girl	Till it ceases I'll never know
Without reservation	How do you get out (9) an all (10) low?
I would try to (6) through	
But if you know	

- 1. gonna
- 2. from
- 3. like
- 4. driving
- 5. drown
- 6. break
- 7. never
- 8. even
- 9. from
- 10. time
