

Fill in the gaps

I can (1) see it	And I, I got to be strong
That dream I am dreaming	Just keep pushing on
But there's a (2) inside my head saying	'Cause there's always gonna be another mountain
"You'll never reach it"	I'm always gonna wanna make it move
Every step I'm taking	Always gonna be a (7) battle
Every move I make feels	Sometimes I'm gonna have to lose
Lost with no direction	Ain't about how fast I get there
My faith is shaking	Ain't about what's waiting on the other side
But I gotta keep trying	It's the climb, yeah!
Gotta keep my head held high	There's always gonna be (8) mountain
There's always gonna be (3) mountain	I'm always gonna wanna make it move
I'm always gonna (4) make it move	Always gonna be an uphill battle
Always (5) be a uphill battle	Somebody's gonna have to lose
Sometimes I'm gonna have to lose	Ain't about how fast I get there
Ain't about how fast I get there	Ain't about what's waiting on the (9) side
Ain't about what's waiting on the other side	It's the climb, yeah!
It's the climb	Keep on moving, keep climbing
The struggles I'm facing	Keep the faith, baby
The chances I'm taking	It's all about, it's all about the climb
Sometimes (6) knock me down	Keep the faith, keep your faith, whoa
But no, I'm not breaking	© HOPELESS (10) MUSIC; VISTAVILLE MUSIC;
I may not know it	
But these are the moments that	
I'm gonna remember most, yeah	
Just gotta keep going
