

Fill in the gaps

Fight the fight alone		On broken (17)	I'm falling
When the (1) is (2)	of victims	And it won't be long	
Dims a (3) light in our sou	ls	The (18) on	me is burning
Leave the peace alone		By the (19) of the sun	
How we all are slowly changing		On skinned knees I'm bleeding	
Dims a (4) light in our souls		And it won't be long	
In my (5) seeing is to know		I've got to find that meaning	
The (6) we (7)	are always first to	And I'll search for so lo	ng
go		Set a-free all	
And who's to say we won't end up alone		Relying on their will	
On broken wings I'm falling		To make me all (20) I am	
And it won't be long		And all that I'll be	
The (8) on me is burning		Set a-free all	
By the fires of the sun		Will (21) between the cracks	
On skinned knees I'm bleeding		With memories of all (22) I am	
And it won't be long		And all that I'll be	
I've got to find (9) meaning		On broken wings I'm falling	
And I'll (10) for so long		And it won't be long	
Cry (11) to sleep		The (23) on	me is burning
We will sleep alone forever		By the fires of the sun	
Will you lay me down		On skinned knees I'm bleeding	
In the (12) place with all I love		And it won't be long	
Mend the broken homes		I've got to find (24)	meaning
Care for (13) they are our brothers		And I'll search for so lo	ng
Save the fading (14) in our souls			
In my (15) seeing is to b			
What you (16) will always carry you			
Who's to say we won't survive it too
