### Fill in the gaps

#### Blurred Lines by Robin Thicke & Pharrell & T.I.

Everybody get up
Everybody get up
If you can't hear
What I'm (1) to say
If you can't read
From the same page
Maybe I'm going deaf
Maybe I'm (2) blind
Maybe I'm out of my (3) (everybody get up)
Ok, now he was close
Tried to domesticate you
But you're an animal
Baby it's in (4) nature
Just let me liberate you
You don't need no takers
That man is not your maker
And that's why I'mma take a good girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about getting blasted
I hate these blurred lines
I (5) you want it
I know you want it
I know you want it, but you're a good girl
The way you grab me

Must (6)\_\_\_\_\_ get me nasty

Yo, (17) Malibu to Paribu, yeah			
Had a bitch, but she ain't bad as you, so			
Hit me up when you pass through			
I'll give you something big enough to tear your ass to			
Swag on, even when you dress casual			
I mean it's not (18) unbereable			
Then honey when you're not there when I'm			
With my foresight bitch you pay me by			
Nothing like (19) guy he's too square for you			
He don't (21) that ass and pull (22) hair like that			
So I jail watch			
Hand wave			
For you to salute			
But you didn't pick			
Not (23) women can refuse this pimping			
But I'm a (24) guy			
But you get it if you get with me			
Shake that vibe			
Get down			
Get up			
Do you like it hurt			
Like it hurt			
What you doing like word			
Baby can you breathe			
I got this from Jamaica			
It always works from me			
Dakota to Dakata			
No (25) pretending			

'Cause now you're winning

#### Here's our beginning

0 0
I always wanted a good girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about getting blasted
I hate these blurred lines (everybody get up)
I (26) you want it
I know you want it
I know you (27) it, but you're a good girl
The way you grab me
Must wanna get me nasty
Go ahead get at me
Everybody get up
Everybody get up
