

Fill in the gaps

| Little boxes on the hillside | | And drink their martinis dry |
|---------------------------------------|---------|--|
| Little (1) made of (2) | _ tacky | And they all have pretty children |
| Little boxes on the hillside | | And the children go to school |
| Little boxes all the same | | And the (10) go to summer camp |
| There's a pink one and a green one | | And then to the university |
| And a blue one and a (3) one | | Where they are put in boxes |
| And they're all (4) out of (5) | tacky | And (11) (12) out all the same |
| And they all look (6) the same | | Boys go (13) business |
| And the people in the houses | | And (14) and raise a family |
| All went to the university | | In boxes (15) of ticky tacky |
| Where they were put in boxes | | And they all (16) (17) the same |
| And they came out all the same | | There's a (18) one and a green one |
| And there's (7) and lawyers | | And a blue one and a (19) one |
| And business executives | | And they're all made out of (20) tacky |
| And they're all made out of (8) tacky | | And they all look just the same |
| And they all (9) just the same | | |
| And they all play on the golf course | | |
