

## Fill in the gaps

### You Are More by Tenth Avenue North

There's a girl in the corner	You've been remade
With tear stains on her eyes	You are more than the choices that you've made
From the places she's wandered	You are (13) than the sum of your past mistakes
And the shame she can't hide	You are more than the (14) you create
She says, "How did I get here?	You've been remade
I'm not who I once was	'Cause this is not (15) what you've done
And I'm crippled by the fear	But what's been done for you
That I've fallen too far to love"	This is not (16) where you've been
But don't you know who you are	But where your brokenness brings you to
What's (1) (2) for you?	This is not about what you feel
Yeah, don't you know who you are?	But what he felt to forgive you
You are more than the (3)(4)	And what he (17) to make you loved
you've made	You are (18) (19) the
You are more than the sum of (5) past mistakes	(20) that you've made
You are more (6) the (7) you	You are (21) (22) the sum of your pas
create	mistakes
You've been remade	You are more than the problems you create
Well she (8) to believe it	You've been remade
That she's been (9) new life	You are more than the (23) that you've
But she can't shake the feeling	made
That it's not (10) tonight	You are more than the sum of your past mistakes
She knows all the answers	You are more than the (24) you create
And she's rehearsed all the lines	You've been remade
And so she'll try to do better	You've been remade
But then she's too (11) to try	You've (25) remade
But don't you know who you are?	You've been remade
You are (12) than the choices that you've made	You've been remade
You are more than the sum of your past mistakes	
You are more than the problems you create
