

But I don't anymore

Fill in the gaps

Forever And Always by Taylor Swift

Once (1) a time, I believe it was a Tuesday	And I stare at the phone and he still hasn't called
When I caught (2) eye	And (15) you feel so low, you can't feel nothin' at
And we (3) onto something, I hold on to the	all
night	And you flashback to when he said forever and always
You looked me in the eye and (4) me you loved me	Oh, oh
Were you just kidding? 'Cause it seems to me	Oh, and it rains in your bedroom, everything is wrong
This thing is (5) down, we almost never	It rains (16) you're (17) and it rains
speak	when you're gone
I don't feel (6) anymore	'Cause I was there (18) you said forever and
Baby, what happened? Please tell me	always
'Cause one second it was perfect	You didn't mean it, baby, I don't think so
Now you're (7) out the door	Oh, oh
And I stare at the phone and he (8) hasn't called	Oh, back up, baby, (19) up, did you forget
And then you feel so low, you can't feel nothin' at all	everything?
And you (9) to when he said,	Back up, baby, back up, did you forget everything?
(10) and always	'Cause it rains in your bedroom, everything is wrong
Oh, oh	It rains when you're here and it (20) when you're
Oh, and it rains in your bedroom, everything is wrong	gone
It rains when you're here and it rains when you're gone	'Cause I was (21) when you said
'Cause I was there when you said (11) and	(22) and always
always	Oh, I (23) at the phone and he still hasn't called
Was I out of line? Did I say (12) way	And then you feel so low, you can't feel nothin' at all
too honest	And you (24) to when we
That made you run and (13) like a scared little	(25) (26) and always
boy?	And it rains in your bedroom, everything is wrong
I looked (14) your eyes, thought I knew you for a	It rains when you're here and it rains (27) you're
minute	gone
Now I'm not so sure	'Cause I was (28) when you said forever and
So here's to everything, coming down to nothing	always
Here's to silence that cuts me to the core	You didn't mean it, baby, you said forever and always
Where is this going? Thought I knew for a minute
