

Walk by Foo Fighters

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
Can't you see I've waited long enough
Where do I begin?
Do you remember the days
We built (1)_____ paper mountains
Then sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerors
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
I believe I've waited long enough
Where do I begin?
Now
For the very first time
Don't you pay no mind
Set me free
Again
You keep alive a moment at a time

Fill in the gaps

But still inside a whisper to a riot
To sacrifice but knowing to survive
The (2)_____ to climb another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever
I (3)_____ (4)_____ die
I never (5)_____ die
I never wanna die
I'm on my knees
I never wanna die
I'm dancing on my grave
I'm running through the fire
Forever, whenever
I never wanna die
I never wanna leave
I never say goodbye
Forever, whenever
Forever, whenever
I'm (6)_____ to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to (7)_____ again
Can't you see I've waited long enough
