

## Fill in the gaps

You're never gonna love me	Could you (4) (5) to me
So what's the use	'Cause the (6) is your woman
What's the point of playing	And she'll set you free
A game you're gonna lose	You're too proud to say
What's the point in saying	That you made a mistake
You love me like a friend	You're a coward till the end
What's the point in saying	I don't (7) admit
t's never gonna end	That we're not gonna fit
You're too proud to say	No, I'm not the type
That you (1) a mistake	That you like
You're a coward till the end	Why don't we just pretend
don't wanna admit	Lies
That we're not gonna fit	Don't wanna know, don't (8) know
No, I'm not the type	T .
That you like	Can't let you go, can't let you go
Why don't we just pretend	I just want it to be perfect
Lies	To believe it's all been (9) the fight
Don't wanna know, don't wanna know	Lies
	Don't wanna know, don't wanna know
Can't let you go, can't let you go	Lies
just want it to be perfect	Don't wanna know, don't wanna know
To believe it's all been (2) the fight	ſ
Lies	Can't let you go, can't let you go
Don't wanna know, don't wanna know	I just want it to be perfect
You only ever (3) me	To believe it's all been worth the fight
n the dark	Lies
Only if we're drinking	Don't wanna know, don't wanna know
Can you see my spark	
And only in the evening
