Made In The USA by Demi Lovato

Fill in the gaps

Our love runs deep like a Chevy	For walking in the city lights
If you fall I'll fall with you (1)	You and I
'Cause that's the way we like to do it	You and I
That's the way we like	(Whoa, whoa)
You run around and open doors like a gentleman	No matter how far we go
And tell me girl everyday you're my everything	I (6) the whole world to know
'Cause that's the way you like to do it	I want you bad
That's the way you like	And I won't have it any other way
Just a (2) West Coast and a bit of sunshine	No matter what the people say
Hair blowing in the wind	I (7) that we'll never break
Losing track of time	'Cause our love was made
Just you and I	Made in the USA
Just you and I	'Cause baby I'll (8) the bullet
(Whoa, whoa)	And take the blows for love
No matter how far we go	(Whoa oh oh)
I want the whole world to know	Our love
I (3) you bad	Was made in the USA
And I won't have it any other way	Made in the USA
No matter what the people say	Made in the USA
I know that we'll never break	No (9) how far we go
'Cause our love was made	I want the whole (10) to know
Made in the USA	I want you bad
Made in the USA	And I won't have it any other way
Yeah, yeah	No matter what the people say
You always read my mind like a letter	I know that we'll never break
When I'm cold you're there like a sweater	'Cause our love was made
'Cause that's the way we like to do it	Made in the USA
That's the way we like	Made in the USA
I'll never ever let the world get the (4) of you	Yeah, yeah
Every night we're apart, I'm still next to you	Made in the US
'Cause that's the way I like to do it	Made in the US
That's the way I like	Made in the USA
We touch (5) on the East Coast	
Dinner on the skyrise	
Winter is the best time	

1. baby
