Bitter Sweet Symphony by The Verve

'Cause it's a bittersweet symphony, this life	I am here in my mold
Trying to make ends meet	And I'm a (4) different people
You're a slave to money then you die	From one day to the next
I'll (1) you down the only road I've ever	I can't change my mold
(2) down	No, no, no, no
You know the one that takes you to the places	I can't change and you know
Where all the veins meet, yeah	I can't (5) it
No change, I can change	'Cause it's a bittersweet symphony, this life
I can change, I can change	Trying to make (6) meet
But I'm here in my mold	Trying to find some money then you die
I am here in my mold	You know I can change, I can change
But I'm a million different people	I can change, I can change
From one day to the next	But I'm here in my mold
I can't change my mold	I am here in my mold
No, no, no	And I'm a (7) different people
Well, I've never prayed	From one day to the next
But tonight I'm on my knees, yeah	I can't change my mold
I need to hear some sounds	No, no
That recognize the pain in me, yeah	No, no, no
I let the melody shine	
Let it cleanse my mind, I feel free now	I'll take you down the only road I've ever been down
