Remember December by Demi Lovato

I feel a separation coming on	Don't let these memories get left behind
'Cause I know you want to be moving on	Don't surrender, surrender, surrender
I wish it would snow tonight	Please remember, remember December
You'd pull me in, (1) a fight	We were so in love back then
'Cause I feel a (2) coming on	Now you're listening to what (5) say
Just prove that there is nothing left to try	Don't go (6) way
'Cause the truth, I rather we just both deny	Remember, (7) December
You kissed me with those open eyes	Please remember
It says so much, it's no surprise to you	I remember, us together
But I've got something left to say	We both (8) (9) forever
Don't surrender, surrender	We could do this, fight the pressure
Please remember, remember December	Please remember, December
We were so in love back then	Don't surrender, surrender, surrender
Now you're listening to what they say	Please remember, remember December
Don't go that way	We were so in love back then
Remember, remember December	Now you're listening to what they say
Please remember	Don't go that way
Don't surrender	Remember, remember December
Did you say?	Please remember
You wouldn't let them (3) your mind	Don't surrender
'Cause when we're together (4) melts the ice	
Our hearts are both on overdrive
