

Fill in the gaps

Remember December by Demi Lovato

I feel a separation (1) on	Don't let these memories get (17) behind
Cause I (2) you want to be (3) on	Don't surrender, surrender
I wish it would (4) tonight	Please remember, remember December
You'd pull me in, avoid a fight	We were so in love back then
Cause I feel a separation coming on	Now you're (18) to (19)
Just (5) that there is nothing left to try	(20) say
Cause the truth, I (6) we just both deny	Don't go that way
You (7) me with (8)	Remember, remember December
(9) eyes	Please remember
It says so much, it's no surprise to you	I remember, us together
But I've got (10) to say	We both promised (21) forever
Don't surrender, surrender	We (22) do this, (23) the pressure
Please remember, remember December	Please remember, December
We were so in love back then	Don't surrender, surrender
Now you're (12) to (13)	Please remember, remember December
they say	We were so in (24) back then
Don't go that way	Now you're listening to (25) they say
Remember, remember December	Don't go (26) way
Please remember	Remember, (27) December
Don't surrender	Please remember
Did you say?	Don't surrender
You wouldn't let them (14) your mind	
Cause when we're (15) fire melts the ice	
Our hearts are both on overdrive	
Come (16) me let's run tonight
