## Rolling In The Deep (Cover) by VÃ;zquez Sounds & Adele

There's a (1) starting in my heart	You had my heart (17) your hand
Reaching a fever pitch and it's bringing me out the dark	But you played it (18) the beat
Finally, I can see you (2) clear	We could (19) had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave every (3) of you	You had my heart inside your hand
Don't underestimate the things that I will do	But you played it (20) a beating
There's a fire starting in my heart	Throw your (21) (22)
Reaching a fever pitch and it's (4) me out the	(23) open door
dark	Count your blessings to find what (24) look for
The scars of your (5) remind me of us	Turn my sorrow into treasured gold
They keep me thinking that we almost had it all	You'll pay me back in kind
The scars of (6) love, they leave me breathless	And reap just (25) you've sown
I can't help feeling	We could (26) had it all
We could have had it all	We could have had it all
Rolling in the deep	It all, it all, it all
You had my heart (7) your hand	We could have had it all
But you (8) it with the beat	Rolling in the deep
Baby, I have no story to be told	You had my heart inside your hand
But I've (9) one on you	But you played it with the beat
And I'm gonna make your head burn	We could have had it all
Think of me in the (10) of your despair	Rolling in the deep
Make a (11) (12) there as mine sure	You had my heart (27) your hand
won't be shared	But you played it
The scars of your love remind me of us	You played it
They keep me (13) that we almost had it	You (28) it
all	You played it to the beat
The (14) of your love, they (15) me	
breathless	
I can't help feeling	
We (16) have had it all	
Rolling in the deep
