

## Fill in the gaps

Suzanne takes you down to her place hear the river	He sank beneath your wisdom like a stone
You can hear the (1) go by	And you (15) to (16) with him
You can spend the night (2) her	You want to travel blind
And you know, she's half crazy	And you know he will find you
It's why you want to be there	For he's (17) (18) perfect body
She feeds you tea and oranges	(19) his mind
That come all the way from China	Suzanne takes your hand now
And (3) (4) you mean to tell her	And she leads you to the river
You have no love to (5) her	She is wearing rags and feathers
She gets you on her wavelength	From Salvation Army counters
And she lets the river answer	And the sun pours (20) like honey
You've (6) (7) her lover	On our, our lady of the harbor
And you want to travel with her	She shows you where to look
And you want to (8) blind	Among the garbage and the flowers
And know she will trust you	There are heroes in the seaweed
For you've touched her (9) (10)	There are children in the morning
with your mind	They are leaning out for love
Jesus was a sailor	And they will (21) that way forever
When He walked upon the water	While Suzanne holds the mirror
And He spent a long time watching	And you (22) to travel with her
From His lonely (11) tower	You (23) to (24) blind
And (12) He knew for certain	And you know she'll find you
Only (13) men could see Him	For she's touched your perfect body with her mind
He said,"All men will be sailors then	
Until the sea shall free them"	
But He, (14) was broken	
Long before the sky would open	
Forsaken, almost human
