Fill in the gaps

Rolling In The Deep (Cover) by Vázquez Sounds

There's a fire starting in my heart	You had my heart inside (8) hand
Reaching a fever pitch and it's (1) me	And you played it to the beat
out the dark	We could have had it all
Finally, I can see you crystal clear	Rolling in the deep
Go (2) and sell me out and a I'll lay your ship	You had my heart inside your hand
bare	But you played it with a beating
See how I'll leave with every piece of you	Throw (9) soul through every open door
Don't underestimate the (3) that I will do	Count your blessings to find what you look for
There's a fire starting in my heart	Turn my sorrow into treasured gold
Reaching a fever pitch and it's bring me out the dark	You'll pay me back in kind
The scars of your love remind me of us	And reap just what you've sown
They keep me (4) that we almost had it	We could have had it all
all	We could have had it all
The scars of your love, (5) leave me breathless	It all, it all, it all
I can't help feeling	We could have had it all
We could have had it all	Rolling in the deep
Rolling in the deep	You had my (10) inside your hand
You had my heart inside your hand	And you played it to the beat
And you played it to the beat	We could have had it all
Baby, I have no story to be told	Rolling in the deep
But I've (6) one on you	You had my heart inside your hand
And I'm gonna make your head burn	But you played it
Think of me in the depths of your despair	You played it
Make a home down (7) as mine sure won't be	You played it
shared	You played it to the beat
The scars of your love remind me of us	
They keep me thinking that we almost had it all	
The scars of your love, they leave me breathless	
I can't help feeling	
We could have had it all
