Fill in the gaps

Rolling In The Deep (Cover) by Vázquez Sounds

There's a fire starting in my heart	You had my heart inside your hand
Reaching a fever pitch and it's bringing me out the dark	And you played it to the beat
Finally, I can see you crystal clear	We could have had it all
Go ahead and sell me out and a I'll lay your ship bare	Rolling in the deep
See how I'll leave with every piece of you	You had my heart inside your hand
Don't (1) the things	But you played it with a beating
(2) I will do	Throw (8) soul through (9) open door
There's a fire starting in my heart	Count your blessings to find what you look for
Reaching a fever pitch and it's (3) me out the	Turn my sorrow into treasured gold
dark	You'll pay me back in kind
The scars of your love remind me of us	And reap just what you've sown
They keep me thinking that we almost had it all	We could have had it all
The scars of your love, they leave me breathless	We could have had it all
I can't help feeling	It all, it all, it all
We could (4) had it all	We could have had it all
Rolling in the deep	Rolling in the deep
You had my heart inside your hand	You had my heart (10) your hand
And you played it to the beat	And you played it to the beat
Baby, I have no story to be told	We could have had it all
But I've heard one on you	Rolling in the deep
And I'm gonna make your head burn	You had my heart inside your hand
Think of me in the depths of (5) despair	But you played it
Make a home down there as mine sure won't be shared	You played it
The scars of your love remind me of us	You played it
They keep me thinking that we almost had it all	You played it to the beat
The (6) of your love, they leave me breathless	
I can't (7) feeling	
We could have had it all	
Rolling in the deep
