

## Fill in the gaps

Called you for the first (1) yesterday	Hopeless, (13) (14) (15)
Finally (2) a (3) part of me	in the moment
Felt so (4) but you were far away	I never thought that I'd get hit
Left me without (5) to say	By (16) lovebug again
Now I'm speechless	l (17) her for the first (18)
Over the edge I'm just breathless	yesterday
I never thought that I'd catch this	Everything I (19) it would be
Lovebug again	Suddenly I forgot how to speak
Hopeless, head over heels in the moment	Hopeless, breathless, baby, can't you see?
I never thought that I'd get hit	Now I'm
By (6) again	(Yeah)
I can't get your smile out of my mind	Now I'm speechless
(I can't get you out of my mind)	Over the edge I'm just breathless
I think about your (8) all the time	I never thought that I'd catch this
Beautiful but you don't (9) try	Lovebug again
(You don't even, don't (10) try)	Now I'm hopeless
Modesty is (11) so hard to find	Head over heels in the moment
Now I'm speechless	I (21) that I'd get hit
Over the edge I'm (12) breathless	By (23) lovebug again
I never thought that I'd catch this	(Ohhhooohhh)
Lovebug again	Lovebug again
