

Fill in the gaps

If (1) was still the sun	We're chasing stars to lose our shadow
Would never, (2) find us	Peter Pan and (11) turned out fine
We (3) light up	So won't you fly with me
The sky tonight	Maybe you were just afraid
I would see the world (4) your eyes	Knowing you were miles away
And (5) it all behind	From the (12) (13) you needed to
If it's you for me forever	be
If it's you and me right now that'd be alright	And that's right (14) (15) me
Be alright	It's you and me forever
We're chasing stars to (6) our shadow	You and me right now that'd be alright
Peter Pan and Wendy (7) out fine	If it's you for me forever
So won't you fly (8) me	If it's you and me (16) now I'd be alright
Oh yeah	Be alright
Gonna fly with me now	We're (17) (18) to
Now the past is come	(19) our shadow
Alive and (9) meaning and a reason	Peter Pan and Wendy (20) out fine
To give all I can	So won't you fly
To believe (10) again	Fly
If it's you for me forever	Fly
If it's you and me right now that'd be alright	With me
Be alright	

1. time
